16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of the consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable federal, state and international laws.

If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.

- ☒ A. The wastes identified above are subject to the land disposal restrictions of 40 CFR part 268. The waste does not meet the treatment standard specified in Part 268 Subpart D or does not meet the prohibitions specified in 268.32 or RCRA Section 3004(i). The treatment standards or prohibitions levels applicable to each waste is noted above.
- ☐ B. The waste identified above is not subject to the land disposal restrictions. (This usually applies only to non-RCRA waste.)
- ☐ C. The wastes identified above are restricted waste that have been exempted from the land disposal prohibitions of 40 CFR Part 268 for the following reasons (Check all that apply)...
- ☐ a. A case-by-case extension for the waste has been granted under section 268.5.
 - ☐ b. A "no-migration" petition has been granted for the waste and disposal facility under Section 286.6.
 - ☐ c. The wastes are subject to a nationwide extension of the effective dates.

☒ I certify that as an authorized representative of the Generator named above, all information submitted in this and all associated documents are true and correct to the best of my knowledge.

☐ I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D. I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment.

- A. ☒ The wastes identified above are subject to the land disposal restrictions of 40 CFR part 268. The waste does not meet the treatment standard specified in Part 268 Subpart D or does not meet the prohibitions specified in 268.32 or RCRA Section 3004(d). The treatment standards or prohibitions levels applicable to each waste is noted above.
- B. ☐ The waste identified above is not subject to the land disposal restrictions. (This usually applies only to non-RCRA waste.)
- C. ☐ The wastes identified above are restricted waste that have been exempted from the land disposal prohibitions of 40 CFR Part 268 for the following reasons (Check all that apply)...
- ☐ a. A case-by-case extension for the waste has been granted under section 268.5.
 - ☐ b. A "no-migration" petition has been granted for the waste and disposal facility under Section 268.6.
 - ☐ c. The wastes are subject to a nationwide extension of the effective dates.

☒ I certify that as an authorized representative of the Generator named above, all information submitted in this and all associated documents are true and correct to the best of my knowledge.

☐ I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D. I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment.
